

STATINTL

Approved For Release 2000/06/26 : CIA-RDP91-00682R000100020038-1

Monday 17 February 1947

1. Drafted reply to letter from Mr. Robert H. Harper, Chief Clerk of the House Armed Services Committee, addressed to the Director and written on behalf of [REDACTED]. Forwarded her Form 57 to Personnel. *Letter sent 24 Feb.*

2. Wrote memo to [REDACTED] of ORE and enclosed copies of pending bills to establish a National Science Foundation.

3. Drafted letter to Senator Chavez informing him that there is no opening for [REDACTED], on whose behalf the Senator had written, and enclosing copy of rejection letter to [REDACTED] from Personnel. *Dispatched 18 Feb.*

4. Spoke with Congressman Ralph Gamble, (R., N.Y.), concerning CIG legislative problems. Found him to be sympathetic and understanding of the special problems involved. It was his feeling that the legislation would come before the Committee on Expenditures rather than the Armed Services Committee and that our detailed enabling act should be a separate title of the merger bill, added after the merger bill had been introduced.

5. Drafted letter to Rep. Lesinski informing him that the application of [REDACTED] was being considered by Personnel and promising to let him know the outcome. *Dispatched 18 Feb.*
